

June 18, 1990.

Dear Stephen,

CBC would like to thank you for your support of Summer Sizzle '90. American Power Conversion's participation at the event was much appreciated and we hope that you enjoyed the evening as much as we did.

Collectively, we hosted 1,400 people. An abundance of food and drink was enjoyed by all. The guests were overwhelmed by the variety of activities and they were all thrilled to be there. People are already looking forward to next year's extravaganza.

The media event held in the afternoon was very well attended by the computer and business press. We expect to see CBC Summer Sizzle '90 splashed across many pages in different magazines. The press that we do receive will be sent along to you as it comes in.

The extensive product display was a great attraction for our dealers. Many thanks to those of you who manned the booths and answered customers' questions.

Thanks again for helping to make CBC Summer Sizzle '90 a smash hit.

Yours truly,

Tracy, Lisa and Elizabeth
The CBC Marketing Department.
