Dear Mr. Davids:

On behalf of the patients, and staff of the Recreation Department, I wish to thank you for bringing Rudolf Robot to visit with us.

The children really enjoyed him and his presence certainly added to the afternoon of entertainment, especially as you were able to take time to visit some of the children confined to the ward area.

Christmas is a difficult time of year for children to be in hospital so we really appreciate people like yourself coming to share your time and talents with us, making their stay a little easier to take.

Thank you again and we hope you will be able to visit with us again in the near future.

Sincerely

Jennifer Joynes
