Dear Sir or Madam

This letter is to confirm that Olivetti Canada Limited, and my own personal experience in dealing with Stephen Davids has been most beneficial both financially and technically.

The product support and technical support has been essential for Olivetti to compete in today's marketplace.

Stephen Davids has always made himself available to resolve problems or provide assistance.

I would highly recommend him for a position of responsibility to large accounts.

Yours truly,

Frank Dolson  
Director  
Customer Service Organization
